Allowance

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 7/8/2010 has been entered.

Response to Arguments

Applicant's arguments, see Remarks, filed 7/8/2010, with respect to the rejections based on 35 USC sections 112, 102, and 103 have been fully considered and are persuasive. These rejections have been withdrawn.

Reasons for Allowance

Claims 1, 2, 5-16, 18-20, 35-37, 58, and 60-75 are allowed.

The following is an examiner's statement of reasons for allowance: The closest reference found to the amended claims was U.S. Patent Application Publication Number 2003/0105854 by Thorsteinsson et al. The Thorsteinsson reference showed various web portals (web server 105, content adapters 107, and service provider interface 108 in Figure 1), a middle tier server (central portal server 110 in Figure 1) attached to a database (database server 111 in Figure 1), and various devices and appliances (paragraph 54). Thorsteinsson does not teach the database server

being in communication with any of the devices or appliances. There were no references found that would make such a feature obvious in the context of the applicant's claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Glen Burgess can be reached on (571) 272-3949. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
